

IMPACT REPORT

Thank you for being an on-going partner in our work. Below are highlights of impacts your support helped make possible in the fourth quarter of 2024.

-All our best, Mandy Watrous-Gale

We Made Good Happen Together!

THANK YOU to everyone who **DONATED**, reposted, and shared our Colorado Gives Day outreach! We raised \$13,771 toward our \$25,000 goal. Funds will support our mission to strengthen families through partnership and collaboration. There is still time to contribute by visiting coloradogives.org/donate/Familyresourcecenterassociation

Welcome our Newest Member: Health Solutions in Pueblo!

On December 11th, FRCA's Board of Directors voted to approve **Health Solutions** membership application, making the organization our 33rd Member! When asked why Health Solutions pursued membership with FRCA, Crystal Smith shared **"FRCA's model will provide us the structure to be a center of excellence."** Health Solutions will bring many assets to the FRCA network, one of them being behavioral health billing expertise.

HOW FRCA IMPACTS COLORADO FAMILIES

Our 2023-2024 Annual Impact Evaluation Executive Summary is now available on our website. This evaluation includes data about 7,476 families served by Member Family Resource Centers from July 2023 through June 2024 using FRCA's research-informed Family Pathways Framework and evidence-based Colorado Family Support Assessment (CFSA 2.0) tool. Highlights below show our Network's impacts:

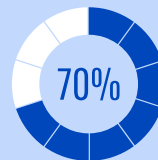

Families demonstrated significant gains in economic self-sufficiency. Moving to safety in the areas of **housing, debt management, and food security.**

Families showed significant improvement in health. **74%** of families in crisis for **mental health moved out of crisis!**

Families improved significantly in areas that **protect against child maltreatment.** Increasing their concrete and social supports, as well as family functioning.

Of families received **services to help meet basic needs.**
